

Bytown Lodge No. 721

MAY INSTALLATION

Please join us for the installation of Bytown's semicentennial Worshipful Master!

The brethren and friends of Bytown will be celebrating installation night by enjoying Seasoned Chicken A La Secrétaire, and a quartet of salads, all brought to us by our very own Worshipful Master Elect and his team of chefs. We will start our evening with food and fellowship, followed by our regular meeting.

Please invite any guests or prospective candidates to share in a delicious meal with the brethren of Bytown, The Friendly Lodge.
