# PREFACE

Beneath our lofty ideals there has to be an organizational system that supports, guides and trains members, enacts rules to control their interaction with one another, and raises funds to pay accounts.

Our highest governing body is the Grand Lodge of Ancient Free and Accepted Masons of Canada in the Province of Ontario and within the governance of that jurisdiction, specific regulations are enacted by each constituent Lodge to control the actions of members and set out the duties of officers and responsibilities of certain committees. These regulations and subsequent proposed amendments thereto, must be in harmony with the Constitution of our Grand Lodge and duly approved by that Grand body before they become authorized for enforcement.

Ancient Landmarks also govern the actions of all members. Although these have never been made explicit, the criteria for defining a landmark are:

1. A landmark must have existed from '*time whereof the memory of man runneth not to the contrary*'.
2. A landmark is an element in the form or essence of the society of such importance that Freemasonry would not be Freemasonry if it were removed.

The actions of the officers and members of our Lodges are governed by the Landmarks, the Constitution of Grand Lodge and the By-Laws of their respective Lodges. Within reason, the By-Laws may be whatever the Lodges wish to enact to rule and govern themselves.

Ottawa District 2 was formed as a result of the mutually agreed division of the **Ottawa District**, which was done to decrease the number of constituent Lodges from thirty to a more manageable number of fifteen for each of the two newly formed Districts. Thus, from one **Ottawa District** there emerged two separate and distinct Masonic Districts known as **Ottawa District 1** and **Ottawa District 2**, each containing fifteen constituent Lodges. Today, after the formation of one additional Lodge in each District, one Lodge in Ottawa District 1 having gone into darkness [Corinthian 476 – May 2000], two in Ottawa District 2 having amalgamated with two other Lodges [Rideau 595 with Chaudiere 264 – May 2003 and Enterprise 516 with Cobden 459 – September 2007] and two in Ottawa District 2 having gone into darkness [Atomic Daylight 686 – October 2014 and Bonnechere 433 – June 2017], there are fifteen Lodges in Ottawa District 1 and twelve in Ottawa District 2. The name, number, meeting location and year of Institution of each constituent Lodge of Ottawa District 2 are as follows:
